

Your journey. Our support.

Camden Baby Feeding Team

Best Start for Baby and You

Best Start for Baby and You

Help with baby feeding

We offer information and support to mums, dads and carers while you are pregnant and after baby is born. We can help you over the phone, online, meet you at a children's centre or visit you at home. You can join one of our baby feeding drop-ins. The team can help you with breastfeeding, bottle feeding, mixed feeding and expressing. This is a free service.

Meet other mums, dads and carers at our friendly baby feeding drop-ins

Come along to your local children's centre. Join a baby feeding drop-in, ask questions about feeding and hear about other services. All our services are father and carer friendly.

Come along to one of our baby feeding drop-ins
