Inspired by others...

This programme has....... Given Luke the opportunity to follow in the footsteps of his PE teacher and Coach who both inspired him to pursue a career in sports.

"I've always loved participating in a variety of sports, I believe this was a result of my teachers and coaches who made sure I had fun and I have now become a qualified sports coach."

Luke

Sports Education & Training Programme
The sports education and training programme, is an amazing opportunity for young people aged 16-19 years old. It is a unique programme for young people who have a desire to pursue careers in sport and physical activity.

Within the programme, students have the chance to obtain various qualifications some of which include the Level 2 certificate of activity leadership and Level 3 diploma in Sports Development. Many students in the programme progress to paid employment as;

Sports Coaches, Play Workers, Fitness Instructors, Teaching Assistants

Students also have the opportunity to pursue Higher Education at University.
