## 1 Introduction

- 1.1 The development plan is at the heart of the planning system and the starting point for planning decisions. There is a requirement set in law that planning decisions must be taken in line with the development plan unless 'material considerations' indicate otherwise. The plan sets out a vision and a framework for future development and growth in Camden, addressing needs and opportunities in relation to housing, the economy, community facilities and infrastructure – as well as a basis for conserving and enhancing the natural and historic environment, mitigating and adapting to climate change, and achieving well designed places. The development plan is a key tool in delivering the vision and priorities set out in Camden 2025 and the Our Camden Plan. As such, it is essential that planning policy documents are in place and kept up to date.
- 1.2 This **Local Development Scheme (LDS)** provides information on the documents that the Council intends to produce to form its development plan and sets out the anticipated timetable and programme for their production. It is the starting point for residents and other stakeholders to find out what planning policies relate to their area and how these will be reviewed.
- 1.3 This LDS covers a three-year period from July 2021 to July 2024 and replaces all previous versions of the LDS.

## 2 Camden's existing planning policy framework

- 2.1 Camden existing development plan is currently made up of the following adopted documents:
- London Plan – adopted 2021
  - Camden Local Plan - adopted 2017
  - Site Allocations - adopted 2013
  - Fitzrovia Area Action Plan - adopted 2014
  - Euston Area Plan - adopted 2015
  - Dartmouth Park Neighbourhood Plan – adopted 2020
  - Fortune Green and West Hampstead Neighbourhood Plan - adopted 2015
  - Kentish Town Neighbourhood Plan - adopted 2016
  - Highgate Neighbourhood Plan - adopted 2017
  - Hampstead Neighbourhood Plan - adopted 2018
- 2.2 These documents have been prepared in accordance with statutory processes, which includes a public examination held by a government-appointed Planning Inspector or, in the case of neighbourhood plans, examination by an independent examiner.

- 2.3 In addition to these adopted documents the Camley Street Neighbourhood Plan and the Redington Froggnal Neighbourhood Plan have both successfully passed the referendum stage and will be formally adopted by the Council later this year. These Plans currently have full weight in decision taking.
- 2.4 Supplementary planning documents (SPD) provide further information and guidance on the operation of the Council's planning policies. They are subject to public consultation and can be given substantial weight in planning decisions, but they are not subject to testing at an independent examination and therefore do not have the same weight in planning decisions as local plan documents or the Mayor's London Plan. However, they have a valuable role in ensuring the successful implementation of local plan policies and the delivery of Council priorities. A list of Camden's adopted and emerging SPDs can be found in Appendix 2.
- 2.5 The Council's Statement of Community Involvement (SCI) was adopted by the Council in 2016. It sets out how we will involve local people, local businesses and other key organisations and stakeholders in the preparation, alteration and review of our planning documents and in planning decisions. The production of the Council's planning documents should be in accordance with the SCI. The Council will be undertaking a review of the current SCI in autumn/winter 2021 with a view to consulting on an updated SCI in early 2022.

### **3 Camden's future planning policy framework**

- 3.1 The planning policy documents that the Council intends to prepare during the period covered by this Local Development Scheme are:
- North London Waste Plan
  - Site Allocations Local Plan
  - Euston Area Plan
- 3.2 In addition, we will undertake an assessment of policies Camden Local Plan to establish when the plan needs to be reviewed and updated.
- 3.3 Document profiles for adopted and upcoming Plan documents are set out in Appendix 1.

## **Neighbourhood plans**

- 3.4 Local communities have the power to influence the future of the places they live by preparing neighbourhood plans. Neighbourhood plans are led and prepared by the community, not the Council, although the Council has a statutory role to provide advice and support to those producing a plan. When neighbourhood plans are passed by an independent examiner and at a local referendum, the Council must adopt them a part of its planning framework and take them into account when it makes decisions on planning applications in the area, alongside its own adopted plans and the Mayor's London Plan.
- 3.5 As neighbourhood plans are not prepared by the Council and their timetables are dependent on the progress made by the community, we have not included them in the list of documents in this LDS.
- 3.6 Information on current neighbourhood planning consultations (including forum/area designations and emerging plans) and designated forums can be found on the Council's webpage: [www.camden.gov.uk/neighbourhoodplanning](http://www.camden.gov.uk/neighbourhoodplanning)

## **4 Monitoring and review**

- 4.2 The Council produces an Authority Monitoring Report, which monitors the implementation of policies within the adopted Development Plan documents that we have prepared. It also monitors progress of the work set out in this Local Development Scheme.
- 4.3 The Local Development Scheme will be updated or reviewed where the need to do so is identified.

## Appendix 1 – Local Plan Document Profiles

### Camden Local Plan

#### Background / document purpose

The Camden Local Plan was adopted by the Council in July 2017. The Local Plan is the key strategic document in Camden's development plan. It provides the basis (with other statutory development plan documents) for the Council's planning decisions and sets the framework for future development in the borough allowing the Council to manage Camden's growth to enable the delivery of its priorities and meet the needs of residents and businesses.

Following the publication of an updated National Planning Policy Framework in 2018, the Council undertook a conformity check of policies within the adopted Local Plan. This check concluded that the policies were in general conformity with the revised NPPF and could continue to be attributed full weight in terms of decision making.

There is a legal requirement for all policies in local plans and spatial development strategies to be reviewed at least once every five years to assess whether they need updating, and to then update them as necessary. The assessment should include consideration of changes to local circumstances and national policy.

#### Status

Adopted – full weight in planning decisions.

#### Area covered

Whole borough

#### Indicative timetable

The Council will be undertaking an initial assessment of policies within the adopted Local Plan in late 2021 with work on a partial or full review of the Plan is anticipated to start in early 2022.

## North London Waste Plan

### Background / document purpose

The North London Waste Plan (NLWP) sets out policies for matters relating to waste and identifies sites for waste facilities within North London. It is being prepared jointly by the seven North London boroughs (Barnet, Camden, Enfield, Hackney, Haringey, Islington and Waltham Forest).

### Status

The NLWP is currently being examined by an independent Planning Inspector. Following the NLWP hearing sessions in November 2019 the North London Boroughs consulted on Main Modifications to the NLWP October-December 2020. The consultation was limited in scope to issues of soundness or legal compliance of the Main Modifications and not about any other aspects of the plan.

As an emerging policy document currently under examination elements of the plan can be attributed considerable weight in planning decisions depending on the level of objections received.

### Area covered

London boroughs of Barnet, Camden, Enfield, Hackney, Haringey, Islington and Waltham Forest.

### Produced by

London boroughs of Barnet, Camden, Enfield, Hackney, Haringey, Islington and Waltham Forest.

### Indicative timetable

Initial preparation/consultation	Spring 2013
Consultation on Draft Plan	Summer 2015
Consultation on the Proposed Submission Plan	Spring 2019
Submission to the Secretary of State	Summer 2019
Independent hearing	Autumn 2019
Consultation on draft modifications	Winter 2020
Inspector's report	Summer 2021
Adoption by each of the boroughs	Autumn / Winter 2021

### Additional Information

Consultation on the emerging Plan accords with statutory procedures and the NLWP Consultation and Duty to Co-operate Protocols which incorporates the seven boroughs' Statements of Community Involvement.

## Site Allocations Local Plan

### Background / document purpose

The current Camden Site Allocations Plan was adopted by the Council in September 2013. It set out the Council's objectives and guidance for development of land and buildings on 43 sites across Camden.

The Council is now reviewing and updating the document. The updated Site Allocations Local Plan (SALP) will help the Council meet the aims and ambitions of the 2017 Camden Local Plan and Camden 2025 by setting out guidelines on land uses, design and infrastructure provision for key sites. An indicative timetable for the review is set out below.

### Status

The current Site Allocations Plan was adopted in 2013. Work on updating this Plan is significantly underway and a draft version of the Plan has been subject to public consultation under Regulation 18 of the Town and Country Planning (Local Planning) (England) Regulations 2012.

Although the new Site Allocations Local Plan will not form part of the development plan until it is adopted, it will form a material consideration in planning decisions during its preparation. The weight to be given to an emerging plan is a matter for the Council as decision maker, with plans gaining more weight as they progress through the process towards adoption.

It should be noted that although some of the site policies in the 2013 Site Allocations Plan are still relevant and should be attributed full weight others are likely to be viewed as out of date because of recent policy changes and/or other material considerations including the emerging Site Allocations Local Plan and will therefore only have limited weight in decision making.

### Area covered

Specific development areas and sites across the whole borough

### Indicative timetable

Initial preparation	Winter 2017 – Spring 2019
Consultation on Draft Site Allocations Local Plan	Spring 2020
Consultation on the Pre-Submission Draft	Winter 2021/22
Submission to the Secretary of State	Spring 2022
Examination hearings	Summer/Autumn 2022
Inspector's report	Winter 2022/Spring 2023
Adoption	Summer 2023

## Euston Area Plan

### Background / document purpose

The Euston Area Plan (EAP) was adopted by Camden in January 2015. The EAP is a long-term planning framework to guide transformational change in Euston. It is focused around the redevelopment of Euston Station and seeks to spread regeneration potential to benefit the local community and London as whole. The plan was prepared jointly between Camden Council, the Greater London Authority (GLA) and Transport for London (TfL) to guide development up until 2031. Preparing the plan jointly helped to ensure the strategic and local issues for the Euston area are planned in a coordinated way and balanced with community aspirations.

The Council has undertaken an assessment of the Euston Area Plan in discussion with the GLA and established that there should be a partial update to the Plan to reflect changing circumstances and to ensure that policies and evidence are robust, reflecting the current situation, and up-to-date information and opportunities.

### Status

The adopted Euston Area Plan 2015 currently has full weight in planning decisions.

Although the new Euston Area Plan will not form part of the development plan until it is adopted, it will form a material consideration in planning decisions during its preparation. The weight to be given to an emerging plan is a matter for the Council as decision maker, with plans gaining more weight as they progress through the process towards adoption.

### Area covered

Euston

### Produced by

London Borough of Camden in conjunction with the Greater London Authority (GLA) and Transport for London (TfL).

### Indicative timetable

Initial preparation	Winter 2019 – Summer 2022
Consultation on draft updates	Summer 2022
Consultation on the Pre-Submission Draft	Winter 2022
Submission to the Secretary of State	Spring 2023
Independent examination – hearing sessions	Spring/ Summer 2023
Inspector's report	Summer/ Autumn 2023
Adoption	Winter 2023

## Fitzrovia Area Action Plan

### Background / document purpose

The Fitzrovia Area Action Plan (AAP) was adopted by Camden in March 2014. The purpose of this AAP is to help to shape the future of Fitzrovia and the western part of Bloomsbury by:

- Developing a vision for the area;
- Ensuring that growth in residential, institutional and commercial uses delivers maximum benefits to the area; and
- Coordinating development proposals across several significant sites

There is a legal requirement for all policies in local plans and spatial development strategies to be reviewed at least once every five years to assess whether they need updating, and to then update them as necessary<sup>1</sup>. The assessment should include consideration of changes to local circumstances and national policy.

The Council has undertaken a review of the Fitzrovia AAP and considers that the Land Use Principles, Character Areas and Urban Design Principles within the Plan remain sound and consistent with borough and national policy, and therefore do not need to be updated. The Council intends to review, update and replace policies and guidance relating to specific opportunity sites as part of ongoing work on the emerging Site Allocations Local Plan.

### Status

The adopted Fitzrovia Area Action Plan currently has full weight in planning decisions.

As mentioned above, policies and guidance relating to opportunity sites will be updated through, and ultimately superseded by, the new Site Allocations Local Plan. Although the new Site Allocations Local Plan will not form part of Camden's development plan until it is adopted, it will form a material consideration in planning decisions during its preparation, with weight increasing as it progresses through the process towards adoption. The weight to be given to an emerging plan is a matter for the Council as decision maker.

### Area covered

Fitzrovia and the western part of Bloomsbury

### Indicative timetable

N/A

<sup>1</sup> Regulation 10A of the Town and Country Planning (Local Planning) (England) Regulations 2012

## Appendix 2 – Supplementary Planning Documents

### Camden Planning Guidance

#### Background / document purpose

Camden Planning Guidance (CPG) is a set of documents that provide further detail to support the implementation of the Council's adopted planning policies. The Council undertakes regular reviews of all its adopted CPG documents to ensure they remain up-to-date and effective.

#### Adopted documents

Access for all CPG	March 2019
Adverts CPG	March 2018
Air quality CPG	January 2021
Artworks, statues and memorials CPG	March 2019
Basements CPG	January 2021
Biodiversity CPG	March 2018
Community uses, leisure facilities and pubs CPG	January 2021
Design CPG	January 2021
Developer contributions CPG	March 2019
Digital infrastructure CPG	March 2018
Employment sites and business premises CPG	January 2021
Energy efficiency and adaptation CPG	January 2021
Home Improvements CPG	January 2021
Housing CPG	January 2021
Planning for health and wellbeing CPG	January 2021
Public open space CPG	January 2021
Student housing CPG	March 2019
Town centres and retail CPG	January 2021
Transport CPG	January 2021
Trees CPG	March 2019
Water and Flooding CPG	March 2019

## Planning Frameworks and Briefs

### Background/document purpose

Planning frameworks and briefs provide guidance for specific sites and areas of Camden where we expect growth and development to happen. They provide place-specific guidance to ensure the development of key sites meets the Council's aspirations in terms of land uses, design and infrastructure provision, securing the benefits of growth for Camden and its residents. They are an important consideration when the Council assesses planning applications.

We are currently in the process of preparing a series of new planning frameworks/ briefs to be consulted upon and/or adopted over the next three years. These are listed below.

**Further information on these can be found on the Council website :**

[https://www.camden.gov.uk/planning-frameworks-and-briefs1:](https://www.camden.gov.uk/planning-frameworks-and-briefs1)

### Adopted documents

Camden Goods Yard Planning Framework SPD	July 2017
Mount Pleasant SPD	February 2012
Kentish Town Planning Framework	July 2020
King's Cross Opportunity Area Planning & Development Brief	January 2004

### Emerging documents

Canalside to Camley Street – A public consultation on a draft version of this document took place from July to September 2020. It is anticipated that the final version of this document will be adopted late 2021.

Euston Station Area – A public consultation on a draft version of this document took place from January to March 2020.

Gospel Oak and Haverstock – Work is currently underway preparing a community vision for this area. As part of this process the Council has hosted several neighbourhood assemblies. These assemblies aim to bring together a cross section of people from across the community to discuss what the main issues and opportunities there are in the area and what changes people would like to see happen.

Holborn – A public consultation on a draft version of this document took place from May to July 2019.

West End Lane to Finchley Road – A public consultation on a draft version of this document took place from March to April 2021. It is anticipated that the final version of this document will be adopted in September 2021.

**Please note:** Historic planning frameworks/briefs that are not listed in this LDS have been withdrawn. These documents have either having been superseded through other planning documents, relate to sites which have now been fully developed, or due to the date of their adoption are no longer considered relevant or up-to date and as such, will no longer be given weight in decision making.

## Conservation Area Appraisals and Management Plans

### Purpose/Content

Conservation area appraisals and management strategies define the special character of conservation areas and set out the Council's approach to their preservation and enhancement. They help guide the Council in decisions on alterations and developments in designated conservation areas.

We are currently in the process of updating some of our conservation area appraisals. The areas indicated below with a \* are currently in the process of being reviewed and a draft version of the updated appraisals are likely to be consulted upon later this year.

### Adopted documents

Alexandra Road Estate	June 2005
Bartholomew Estate	June 2005
Belsize	November 2002
Bloomsbury	April 2011
Camden Broadway	February 2009
Camden Square	March 2011
Camden Town	October 2007
Charlotte Street	July 2008
Dartmouth Park	January 2009
Denmark Street	March 2010
Elsworthy	July 2009
Eton	November 2002
Fitzjohns and Netherhall*	February 2001
Fitzroy Square	March 2010
Hampstead*	October 2001
Hanway Street	March 2011
Harmood Street	September 2005
Hatton Garden	September 2017
Highgate	October 2007
Holly Lodge Estate	December 2012
Inkerman	October 2001

Kelly Street	March 2011
Kentish Town	March 2011
Kings Cross / St. Pancras	December 2003
Kingsway	June 2005
Jeffreys Street	November 2002
Mansfield	December 2008
Park Hill and Upper Park	July 2011
Priory Road	June 2005
Primrose Hill	June 2005
Redington / FrognaI*	January 2003
Rochester	December 2001
Regent's Canal	September 2008
Regent's Park	July 2011
Seven Dials Estate	June 2005
South Hampstead (formerly Swiss Cottage)	February 2011
South Hill Park Estate	January 2001
St. John's Wood	July 2009
West End Green	February 2011
West Kentish Town	September 2005
