REFUND APPLICATION FORM

When completing this refund application form, remember:

- If the council tax account is in joint names, everyone named on the council tax bill must agree and sign the form.
- By signing this form, you have given your consent that the refund should be paid back into the bank account you have confirmed and you will not seek redress with the Council for this at a later date if a dispute arises amongst the named account holders in question.
- Please be aware that if bank details are provided that cannot be verified against the account information already held on our system or there is a mismatch with names, we will ask for more information before a refund is processed.
